

Preparing for a School Transition

Preparing a child for a school transition can be tricky and is often a significant change for fostered, adopted or special guardianship children.

The training will increase participants' understanding and provide lots of practical and creative ideas to better prepare for the transition.

Themes included:

- » change and loss
- » common worries
- » endings
- » jam packed with strategies and ideas to help preparation for transition
- » book recommendations
- » ideas specific for schools

Facilitated by an experienced Child Therapist/Clinical Social Worker.

Suitable for anyone supporting a school transition.
