

Autplay® Therapy Certification

Intensive training that focusses on teaching the Autplay® Therapy Protocol, an integrative family play therapy approach to working with autistic children and adolescents, neurodivergent children, children with developmental disabilities and their families.

Autplay® integrates psychological/ counselling theory, models of play therapy, and relationship development approaches together in a collaborative protocol to assist children and adolescents.

Autplay® Therapy emphasises a neurodiversity affirming and informed approach, harnessing the therapeutic powers of play.

Facilitated by an experienced Child Therapist/Clinical Social Worker.

Suitable for social workers, therapists, teachers, teaching assistants, support workers, residential staff and pupil referral unit staff.

After the intense 2 days training, you will be a Certified Autplay® provider.
