

# Caring for children who display sexually concerning or harmful behaviour

Interactive training aims to give participants a much better understanding of how to recognise sexually concerning behaviour but also how to respond to the behaviour to ensure everyone remains safe.

- » Participants will be able to recognise when sexual behaviour is concerning or harmful
- » Leave with creative ideas how to respond to children who display sexually concerning behaviour
- » Explore together experiences / worries of caregivers
- » Leave feeling confident in how to create safety plans

Facilitated by an experienced Child Therapist/Clinical Social Worker.

Suitable for: foster carers, adopters, parents, special guardianship caregivers, teachers, teaching assistants, social workers, residential care staff and supervising social workers.

Resources provided.

Interactive training.
