

Attachment & Trauma in the Classroom

Do you feel at a loss with certain children's behaviour presentation in the classroom, and feeling at a loss of what to do next.

Together we will look through a Attachment and Trauma lens

We will cover:

- Attachment and Trauma- but what this looks like in the classroom
- Brain Development/Poly Vagal Theory
- Challenges
- Shame and Lying
- Window of tolerance/Regulation Mapping
- Strategies and ideas to meet the needs of the children (lots of ideas will be shared)
- Self-care
- Screening
- Empathy

The training is flexible and will cover attendee's experiences in the classroom, learning will be applied to every day difficulties/challenges.

Facilitated by an experienced Child Therapist/Clinical Social Worker.

Suitable for: Teachers, Teaching Assistants, SENCO's, Nurture Teachers and those that want to increase their understanding and knowledge in this area
